1. **Controlled Substances Law and Rules Examination:** Enclosed with this application is the take-home Utah Controlled Substances Law and Rules Examination. Return the completed examination with your application for licensure if you are applying for a controlled substance license in addition to your license. Do not submit it separately.

The following applicable laws and rules are available on the Internet at www.dopl.utah.gov:

- ☐ Division of Occupational & Professional Licensing Act
 - ☐ General Rules of the Division of Occupational & Professional Licensing
 - ☐ Utah Dentist and Dental Hygienist Practice Act
 - ☐ Utah Dentist and Dental Hygienist Practice Act Rules
 - ☐ Utah Controlled Substances Act
 - ☐ Controlled Substance Act Rules of the Division of Occupational and Professional Licensing
2. **Examination Fees:** There are separate fees for all examinations. It is the responsibility of the applicant to submit the fees directly to the testing agency.
 3. **Current Documents:** Applications, statutes, rules, and forms are occasionally changed. Go to www.dopl.utah.gov to ensure you have the most recent version of these documents.
 4. **Controlled Substance License/DEA Registration:** You must hold a Utah controlled substance license **and** a DEA registration to administer, possess, or prescribe a controlled substance in your practice of dentistry in Utah. For DEA registration information, contact the Drug Enforcement Administration, Salt Lake District Office, 348 East South Temple, Salt Lake City, UT 84088. Telephone (801) 524-4389.
 5. **License Renewal:** All dental licenses expire May 31 of each even-numbered year. Additionally, if you possess a Utah controlled substance license, it will also expire at the same time as your dental license and will also need to be renewed.

Unlike many other states, Utah's license renewal schedule **is not** based on the licensee's date of initial licensure. Under Utah's renewal system, all licenses in each profession expire as a group on the same day every two years. Therefore, the length of a licensee's first renewal cycle depends on how far into the current renewal cycle initial licensure was obtained. Each renewal cycle thereafter is for a full two years.

Additionally, the fee paid with this application for licensure is an application-processing fee only. It does not include a renewal fee. Each licensee is responsible to renew licensure **PRIOR** to the expiration date shown on the current license. Approximately two months prior to the expiration date shown on the license, renewal information is disseminated to each licensee's last address of record, as provided to DOPL.

Please also note that a cashed check does not constitute issuance of a new or renewed license. Fee processing is simply the first step in the evaluation process.

6. **Continuing Education:** In order to renew your license you must complete at least 30 hours of qualified continuing education.
7. **Updating Address Information:** It is your responsibility to maintain a current address with DOPL. If your address is incorrect, you will not receive renewal notices or other correspondence. Address changes can be made online at www.dopl.utah.gov.
8. **Name Change:** If you have been licensed by DOPL under any other name, please submit documentation of your name change (*i.e. copy of a marriage license or divorce decree*).
9. **Acceptable Forms of Payment:** Licensure fees can be paid by check or money order, made payable to "DOPL." Cash and debit/credit cards (*American Express, MasterCard, and Visa*) are also accepted in person at DOPL's main office – but not over the telephone.
